4. RESTITUTION PAYMENTS FROM AARON HARPER (u)  Asset is a restitution order imposed on a juvenile offender for starting a fire at the Debtor's business premises. Per the offender's probation officer, no enforcement action is taken by Allegheny County if the offender does not voluntarily pay. Additionally, it is often that such restitution orders are only paid after the defender is much older and is looking to improve his credit to purchase a house. In light of the foregoing, there is no market for the payments due under a restitution order. Moreover, given that the amount of unpaid unsecured claims after distribution of the funds in the Estate will be in excess of \$1.7 million, full recovery on the restitution order would not result in a meaningful distribution to unsecured creditors.	0.00	10,000.00		1,427.07	FA
